GREETINGS

Greetings to all our members and friends to this Newsletter and may I take this opportunity to wish you all and your families a happy and healthy 2019.

However, in particular, I wish to let you know that I have decided to step aside as the organiser, or whatever, of our Association. As you know, I started the Association at the suggestion of my dear departed friend Les Renno, merely to regain contact with old friends and colleagues. I am happy to see that it has grown to its present status but after some twelve years feel the time has come to hand over to new blood. Thank you all for your support and friendship but rest assured that you will still see me at future functions.

YOUR NEW MAN

I wish **Ken Wilkinson** well in his taking over at the helm as he puts it and I will of course give him all the support I can - if he needs it!. Active in the Association from the early days he organised our Reunion last year. He will be very well supported by Terry Young who looks after our website so well and has done an excellent job in updating it to its present form.

REUNION 2019

The Reunion this year is on Thursday the 11th July, also at the Holiday Inn, Coventry, where we have been well served for the past few years. Last year there was a good turn-out but new faces are very much needed – if you're one, what about it? The Order Form to book in is available to be downloaded from the website.

Kindest Regards

Christopher Bean
